Why did you decide to study at Rosenheim University of Applied Sciences?

After I got a short introduction about Rosenheim University of Applied Sciences by the administration director of my home University (Shinawatra University), I looked for some information about Rosenheim University of Applied Sciences via internet. Then I found out that Rosenheim University of Applied Sciences is a liberal-minded educational and research institution, and has widespread international connections. In addition, as Bavaria is a state with an impressive culture and rich in scenic beauty, it made me excited and finally I decided to study at Rosenheim University of Applied Sciences.

What do you particularly like about your university in Bavaria?

I particularly like about Rosenheim University of Applied Sciences in Bavaria the quiet environment for study, friendly and helpful student tutors, diversity of class with Erasmus students and German students, and have a chance to listening to the speech, experiences and lectures from guest speakers who are from companies, professional trainers and lectures from other Universities.

Was there anything that you found particularly strange or surprising when you first arrived here?

Punctuality of bus schedule, train schedule and restaurant opening/closing hours. No shop is opening on Sunday except restaurants. Restaurants are only open during specific hours and not open the whole day. The available dentist and opening hours of a clinic can only be found in the newspaper for weekends as all business are normally closed on weekends.

What are your plans and goals for the future?

My future plans and goals are to set up a business in my home country in order to contribute to the development of my country's economy as a professional business woman. In addition, all my experiences and knowledge will be shared to young learners and who are in need.

Are you involved in any clubs/ extra-curricular activities at your university?

Although I am not officially involved in any clubs as a member, I always go out for swimming with my friends and join the parties which are organized by students and/or faculties. In addition, some of my friends and I organize cooking days in order to share the foods, culture, happiness and friendship.

What are your favourite places in your university town and why?

Having a cup of coffee or local foods at Max-Josef-Platz, doing Barbeque at Happinger Ausee with friends and outdoor swimming with friends at Freibad Rosenheim are my favourite places/activities during my stay in Rosenheim.

What are your favourite things about Bavaria?

An impressive culture and rich in scenic beauty, and local people are friendly and helpful.

If you were writing a postcard to your parents and friends in your home country, what would you say about your time in Bavaria?

I am fine and doing well in Rosenheim, Germany! Local people are very nice so don't worry about me. I am happy to be here.

Is there anything you particularly miss about your home country?

Family, Foods, and friends.

Do you have any tips for other international students coming to Rosenheim?

Please study a bit of Germany language so you can be more integrated and benefit for both your study and socialization.
