Why did you decide to study at Rosenheim University of Applied Sciences?

I have studied at FH Rosenheim for an exchange semester, and I decided to study there because of the good reputation that it has, especially in the field of interior architecture.

What do you particularly like about your university in Bavaria?

The practical part of education is being well applied in the system of the university.

Was there anything that you found particularly strange or surprising when you first arrived here?

No.

What are your plans and goals for the future?

To work in the field of entrepreneurial architecture and have more activities in the cultural communication associates.

Are you involved in any clubs/ extra-curricular activities at your university?

Recently not.

What are your favourite places in your university town and why?

I don't have specific places that I like in Rosenheim, but it is a city that has a great nature beauty.

What are your favourite things about Bavaria?

Bavaria has a great culture and enriched with history.

If you were writing a postcard to your parents and friends in your home country, what would you say about your time in Bavaria?

Amazing! :)

Is there anything you particularly miss about your home country?

Yes. My family

Do you have any tips for other international students coming to Rosenheim?

To take the most advantage of their time there.
