Why did you decide to study at Rosenheim University of Applied Sciences?

I decided to choose FH Rosenheim for its excellent reputation in practical education and also previous students from our home University have been there and mentioned that they had a great experience and education in FH Rosenheim.

What do you particularly like about your university in Bavaria?

What I liked most was its practical innovation and friendly students.

Was there anything that you found particularly strange or surprising when you first arrived here?

No actually everything was quite normal and comfortable.

What are your plans and goals for the future?

Finishing my Bachelors degree and gaining work experience in Interior Architecture.

Are you involved in any clubs/ extra-curricular activities at your university?

No.

What are your favourite places in your university town and why?

Rosenheim is a simple but yet an interesting town, because it has such a beautiful nature.

What are your favourite things about Bavaria?

The culture and traditions, since it's really different from Jordanians and Arabs, its amazing nature and of course the Alps.

If you were writing a postcard to your parents and friends in your home country, what would you say about your time in Bavaria?

That I'm having a great time with friends and that I'm gaining a great experience here.

Is there anything you particularly miss about your home country?

Family and Friends.

Do you have any tips for other international students coming to Rosenheim?

Maybe if they'd learn German before coming to Rosenheim would be great and shouldn't worry about anything else, because everyone is very helpful and friendly.
