Why did you decide to study at Rosenheim University of Applied Sciences?

I am studying Furniture Engineering in China and at the same time I am working in a consulting company for furniture industry. German technology is widely used in China, so I really would like to make further study in Germany, and Rosenheim University is for sure the best choice.

What do you particularly like about your university in Bavaria?

The atmosphere here is excellent and delightful, even for non-German speaking persons.

Was there anything that you found particularly strange or surprising when you first arrived here?

The life pace here is slow, not like in big cities, you can enjoy the life, the quiet peaceful environment and beautiful landscape very well.

What are your plans and goals for the future?

I will still work in the field of furniture industry in China.

Are you involved in any clubs/ extra-curricular activities at your university?

Yes, there are a lot of activities. Good opportunity to relax and meet new friends.

What are your favourite places in your university town and why?

The lovely old town, Inn river and forestry near the university. It is a pleasure for me to be close to the nature.

What are your favourite things about Bavaria?

All the festivals, it is nice to be here for 1 year through spring to winter to enjoy festivals, I think it is a good way to learn about Bavarian culture.

If you were writing a postcard to your parents and friends in your home country, what would you say about your time in Bavaria?

It is an unforgettable peaceful time.

Is there anything you particularly miss about your home country?

Friends and family, that is the only thing.

Do you have any tips for other international students coming to Rosenheim?

Don't be alone, make friends with local people, you will get a lot of support then full of fun in your life.
