Why did you decide to study at Rosenheim University of Applied Sciences?

Since I heard the information from administration office at my home university about Rosenheim University of Applied Science. I probably excited to apply for one semester as an exchange student. As I'm Thai, study aboard it's really challenging for me to explore new experiences and develop communication skill between people from different backgrounds. That's why I chosen Rosenheim University of Applied Science.

What do you particularly like about your university in Bavaria?

I do love the people here. Nice hospitality like Thai people. In the class, I also study with my friends from different countries and we share the experiences together. It's absolutely fantastic. Moreover, the varieties of cultures and local people around university are really helpful and friendly. I totally love them.

Was there anything that you found particularly strange or surprising when you first arrived here?

My first impression was local people and student here in Rosenheim University of Applied Science. It was surprising me. They were totally nice since I didn't know much about German words. But they tried their best to help and speak English with me.
Furthermore, Everyone knows that supermarket or any shops will be closed on weekend. So it's a bit weird for me to deal with this situation. But now no problem for me anymore.

What are your plans and goals for the future?

I would love to work with German Company in Thailand. Nearby my hometown in the north of Thailand. There will be a German Companies going to invest the alternative energy which is Solar cell. It's interesting and challenging to work in this area I think and sharing the experiences during I study here it's the best way to inspire young people in my country as well.

Are you involved in any clubs/ extra-curricular activities at your university?

I can say that I'm not the member in any club but I would love to join the activities during the time I study here. Party is one of my favourite I really love and enjoy. It's always a good time. Especially, when I try to practice my German language with my friends.

What are your favourite places in your university town and why?

I totally love the church here in Rosenheim. Especially, St. Nicholas As I'm Buddhist I understand that all regions use to teach people to be a good man. I used to go to the church listen to the pipe organ and sometimes singing with them. Spending the time together with local people is absolutely fantastic.

What are your favourite things about Bavaria?

The Foods. Especially, tradition cuisine in Bavaria "Wiess Wurst"
Multicultural, good atmosphere and nice people.

If you were writing a postcard to your parents and friends in your home country, what would you say about your time in Bavaria?

Thank you for everything that you have done for me. I wish you were here next time.

Is there anything you particularly miss about your home country?

My answers is NO. Because of the technology nowadays can help me to spend the time with my parents and friends from another side of the world easily. So, I'm not feeling miss them much. Everything here it's almost the same as Thailand. Just smile and everything will be OK.

Do you have any tips for other international students coming to Rosenheim?

I recommend that you should study some German lessons for the daily life from your home country. It's really useful when you were here.
