Why did you decide to study at Rosenheim University of Applied Sciences?

If you have chance – take it!

That's why I choose to study here in Rosenheim and for studying wood process this was the best idea.

What do you particularly like about your university in Bavaria?

I would like to thank the International Office, who provided us with the necessary information at all time and helped with all kind of questions we were having.

And a special thanks goes to our student tutors - Roschelle and Sanne - who organized guided tours and many other formal and informal events – Amazing!

Was there anything that you found particularly strange or surprising when you first arrived here?

Not really.

What are your plans and goals for the future?

First thing is to finish Master studies. Than relax and start carrier in wood industry – furniture's or something else!

Are you involved in any clubs/ extra-curricular activities at Rosenheim UAS?

No. I was doing sports by myself.

What are your favourite places or things to do in?

Enjoying Bavarian beer! ☺

Visiting other cities like Nuremberg, Berchtesgaden, Munich, and so on.

Biking around the city! The fact that there a bike roads everywhere makes riding a bike very easy.

What are your favourite things about Bavaria?

The city Rosenheim itself – nature, people, places to visit and see, oh and the mountains so close by – amazing.

If you were writing a postcard to your parents and friends in your home country, what would you say about your time in Bavaria?

It has been an amazing time here and I got to know many very nice people.
The weather and the time spent here lusted me.

Is there anything you particularly miss about your home country?

My own bed 😊

Do you have any tips for other international students coming to Rosenheim?

Definitely enjoy the trips and places which are organized and offered by the International Office.

Enjoy staying in Rosenheim and also other cities.
